

Unbeatable value and superb quality are just two of the reasons why Tapworks water softeners have been installed in homes across the UK. Look at the benefits:

- High flow valve – compatible with vented and unvented systems
- Easy-Fit – all-in-one installation kit for both 15mm and 22mm plumbing as standard*
- Easy to install and maintain – simple fit and forget installation
- Up to 32% cheaper to run
- Just add tablet salt from time to time to maintain the endless flow of soft water
- Substantial warranties:
 - 2 years parts and labour warranty
 - 10-year warranty on resin vessel

*Domestic range only

Technical Data

Specification	Ultra 9 EasyFlow	AD 11 EasyFlow	Infinity EasyFlow	NSC40UD1 High capacity-flow 28mm plumbing
A. Total Height	535mm	654mm	606mm	1280mm
B. Height to salt lid	410mm	535mm	490mm	1016mm
C. Inlet/outlet height	400mm	532mm	400mm	1057mm
D. Depth	468mm	468mm	468mm	464mm
E. Total depth with connectors	520mm	520mm	520mm	578mm
F. Width	296mm	296mm	296mm	464mm
G. Drain height	450mm	580mm	530mm	1098mm
H. Overflow height	260mm	325mm	365mm	870mm
• Resin volume	9.9 litres	10.5 litres	14.5 litres	30 litres
• Maximum daytime working pressure	4.76 bar	4.76 bar	4.76 bar	4.76 bar
• Minimum daytime working pressure	1.7 bar	1.7 bar	1.7 bar	1.7 bar
• Maximum operating temperature	49°C	49°C	49°C	49°C
• Electrical supply via transformer	24V 50Hz	24V 50Hz	24V 50Hz	24V 50Hz
• Maximum flow rate (peak)	56.7 ltr/min	53.3 ltr/min	51.7 ltr/min	83.3 ltr/min
• Inlet and outlet connections	22mm push-fit	22mm push-fit	22mm push-fit	1" BSP male
• Drain and overflow connections	3/8" hose spigot	3/8" hose spigot	3/8" hose spigot	1/2" hose spigot
• Weight excluding salt and water	14.95kg	16.31 kg	20.30 kg	55 kg
• Salt storage capacity	22 kg	37 kg	25 kg	91 kg
• Maximum softened water capacity at 300ppm	1690 litres	2266 litres	2648 litres	8424 litres
Model recommendation based on household size* (based on usage per person of 140 litres per day at 300ppm)	1-5 people	1-7 people	1-9 people	9+ people

*Water hardness and flow rates can affect which model is right for you. If in doubt please call 01494 480 621 for advice.
